2019 Tours

Important Tour Information: Please read the following information completely. It will answer many of your tour-related questions and will help you have a more enjoyable tour experience.

1. All tour buses will load and drop off at the Main Street entrance of the Convention Center.

2. Bus departure times for each tour are listed in this program. Please be at the bus departure area and ready to board the bus 15 minutes prior to the listed departure times. Arrival times back to the hotel are approximate.
3. The first two rows of seats on both sides of the bus are reserved for the tour coordinators, volunteers and people with mobility difficulties. If you sit in those seats, you will be asked to move.
4. All buses are fully ADA-equipped. If you have mobility difficulties or use a wheelchair that requires the lift to access the bus, you **MUST** check the appropriate boxes on the pre-registration form in order for us to plan the necessary accommodations. If you are able to transfer from a wheelchair into a bus seat, your chair will be placed under the bus for the duration of the ride.
5. Indoor facilities are air-conditioned unless indicated, but many tours include significant outdoor time. Dress appropriately and bring sunscreen, insect repellent, hat, and water bottle for your comfort and safety.

6. Space is limited on all tours. ACB reserves the right to cancel a tour should sales fall below required minimums.
7. All return times are approximate. If you have dietary scheduling concerns, bring a light snack in case we are unavoidably delayed. We ask that you board the bus quickly and safely to avoid delays. We plan 15 minutes to load and unload the bus. Please do not schedule back-to-back events based upon the return time of the tour, as we cannot plan for traffic and road condition delays.
8. A limited number of volunteers will accompany each tour. While they will help as much as possible, ACB volunteers are not personal guides or personal care attendants. If you need individual help, plan to attend the tour with a friend who can provide the assistance you need. If you use a wheel chair you must have someone on the tour with you to push your wheelchair!
9. Most tour destinations are ADA-accessible. Some tours that are NOT ADA-accessible may include long walks, steps and steep grades. Some tours may involve strenuous

activities. If you have a medical condition that may limit your involvement or participation, please let us know ahead of time and use common sense when making your selections.

- 10.** The tour leader will have a list of all paid attendees and the waiting list for each tour. The leader will be stationed at the door of the bus to record your attendance. Please do not board the bus until the tour leader has completed this task.
- 11.** If registration for a tour exceeds its capacity, a waiting list is created based on the date and time your order was placed. If you are on a waiting list, you will be asked to stand in a designated area to wait for your name to be called. If you are not present when your name is called, the next person on the waiting list will be called to fill that seat. You may not give your place on the waiting list to another person.
- 12.** If you arrive late and your name has already been called from the waiting list, your ability to secure a seat will be entirely dependent on the number of vacant seats remaining on

the bus. No one who has answered the call from the waiting list will be asked to give up their seat.

- 13.** If there is no waiting list, or if the waiting list has been satisfied, any remaining vacant seats will be sold to walk-up traffic. Such vacant seats will be sold for cash only. To purchase, you must have a valid name badge, a day pass for the current day or other proof of registration.
- 14.** If you have paid for and are issued a tour ticket and do not appear at the designated time and place, no refund will be made. If you are on a waiting list and are not able to get on the bus, the tour leader will report this to the registration office and you will be able to secure a refund the next day after the tour.

Should you not be present at the convention the day after the tour, or if the convention has ended, please call the Minneapolis office by July 31st to arrange for a refund via check or credit card.
